Grants Coordinator Reference List

- The purpose of this list is to provide the Grants Coordinator that is the designated main point of contact for each LEA. The designated Grants Coordinator will be working with their designated LEAs on reimbursement requests, completion reports, indirect cost application and any other fiscal inquiries.
- To easily navigate this document use the "Ctrl+F" key combination to lookup information.
- In order to find the Grants Coordinator associated with the LEA, find the LEA's name or CTDS number. The name of the Grant Coordinator will be in the third to last column followed by the hotline phone number and menu option. To navigate the Grants Management Hotline, LEAs will need to know their County Code and, if applicable, their Organization Code. The County Code will be the first three (3) letters of your county in numeric format which is provided in the Dial Code column. The Organization Code is the first four (4) letters of your organization in numeric format which is provided in the following column titled Dial Code 2.

Grants Coordinator Reference List

- The purpose of this list is to provide the Grants Coordinator that is the designated main point of contact for each LEA. The designated Grants Coordinator will be working with their designated LEAs on reimbursement requests, completion reports, indirect cost application and any other fiscal inquiries.
- To easily navigate this document use the "Ctrl+F" key combination to lookup information.
- In order to find the Grants Coordinator associated with the LEA, find the LEA's name or CTDS number. The name of the Grant Coordinator will be in the third to last column followed by the hotline phone number and menu option. To navigate the Grants Management Hotline, LEAs will need to know their County Code and, if applicable, their Organization Code. The County Code will be the first three (3) letters of your county in numeric format which is provided in the Dial Code column. The Organization Code is the first four (4) letters of your organization in numeric format which is provided in the following column titled Dial Code 2.

Grants Coordinator Reference List

- The purpose of this list is to provide the Grants Coordinator that is the designated main point of contact for each LEA. The designated Grants Coordinator will be working with their designated LEAs on reimbursement requests, completion reports, indirect cost application and any other fiscal inquiries.
- To easily navigate this document use the "Ctrl+F" key combination to lookup information.
- In order to find the Grants Coordinator associated with the LEA, find the LEA's name or CTDS number. The name of the Grant Coordinator will be in the third to last column followed by the hotline phone number and menu option. To navigate the Grants Management Hotline, LEAs will need to know their County Code and, if applicable, their Organization Code. The County Code will be the first three (3) letters of your county in numeric format which is provided in the Dial Code column. The Organization Code is the first four (4) letters of your organization in numeric format which is provided in the following column titled Dial Code 2.

Grants Management, Business and Finance, Arizona Department of Education

Grants Coordinator Reference List

- The purpose of this list is to provide the Grants Coordinator that is the designated main point of contact for each LEA. The designated Grants Coordinator will be working with their designated LEAs on reimbursement requests, completion reports, indirect cost application and any other fiscal inquiries.
- To easily navigate this document use the "Ctrl+F" key combination to lookup information.
- In order to find the Grants Coordinator associated with the LEA, find the LEA's name or CTDS number. The name of the Grant Coordinator will be in the third to last column followed by the hotline phone number and menu option. To navigate the Grants Management Hotline, LEAs will need to know their County Code and, if applicable, their Organization Code. The County Code will be the first three (3) letters of your county in numeric format which is provided in the Dial Code column. The Organization Code is the first four (4) letters of your organization in numeric format which is provided in the following column titled Dial Code 2.
