

Monthly Review

February/March 2020

February

Reminder:

- **Indirect Cost Request:** Requesting Indirect Cost in GME for FY21 is now available. For more information, click [here](#).
- **Self Assessment:** Self Assessment for FY21 is available in GME and is **due 5/1/2020**.
- **General Statement of Assurances (GSA):** GSA for FY21 is available in GME and is due **5/1/2020**.
- **Reimbursement Requests (RR):** RRs for FY20 projects that have the original funding application SEA Director Approved are available and should be submitted regularly.

Important Due Dates:

- **Single Audit Reporting Package (SARP):** All entities meeting the established federal grant expenditure threshold of \$750,000 are required to submit an SARP in GME. The deadline is **within 30 days of obtaining it** from your independent audit firm or **within 9 months of your fiscal year end**, whichever comes first. For more information, click [here](#).

March

Reminder:

- **FY21 Funding Applications:** The majority of FY21 Funding Applications are **opening 3/1/2020**. Please see individual communications from your Program Areas announcing the opening and deadlines for these applications.
- **Risk Assessment:** Risk Assessment 2020-2021 results will be posted in GME on 3/1/2020. For more information on how to access your report, click [here](#).

Training is held regularly. Please see the GME Home page for dates and other training information. For direct assistance, please contact Grants Management at (602) 542-3901 or via email at grants@azed.gov.
