## Before Getting Started

1. Review the entire application including the “Grant Application Guidance and Resources,” <http://www.azed.gov/21stcclc/application-information/> prior to beginning work on the application.
2. Write the Application as if the program will be operating in a standard or regular non-pandemic impacted year.

Applicants may review the U. S. Office of Elementary & Secondary Education’s website with the link to the 21<sup>st</sup> CCLC Programs at [U.S. Office of Elementary & Secondary Education](https://www.ed.gov/21stcclc)

## Funding Disclaimer for Awarded Applications

The Grantee acknowledges and agrees that the Arizona Department of Education's (ADE) award and/or payment of funds under this agreement is contingent upon ADE receiving funds from Federal, State, or other funding sources to support the grant. Notwithstanding any other provisions of this agreement, in the event that ADE funding is reduced or rescinded by Federal, State, or other funding sources, ADE may immediately reduce the amount of funds awarded or terminate this agreement by written notice to the Grantee.

## FFATA & GSA Verification

Check off the boxes and complete a short description of your project. This section must be completed and will not be scored by the Peer Reviewers.

### Absolute Priority

The District (Lead Fiscal Agent) must be located within the State of Arizona in order to be awarded and receive Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) Title IV-B grant award.

To be eligible to apply for this grant, entities must serve students who attend schools where there is not less than 40 percent economically disadvantaged students in the total school population.

Applications proposing services to schools with less than 40 percent economically disadvantaged students will not be considered.

Applicants may provide National School Lunch Program (NSLP) free/reduced-price percentage <http://www.azed.gov/hns/frp/> or other verifiable risk factor data, including the data source, that shows that this Site serves students where at least 40% of the students are economically disadvantaged.

If ADE discovers a discrepancy in absolute priority data submitted, the applicants will be required to provide other verifiable data including the data source during the initial screening process. Applicants must submit requested data within 2 business days of receiving notification of discrepancy.

**Funding Formula**

The total 21st CCLC grant funding request for each Site proposal must be justified by a funding formula as described below.

First, determine the number of Regular Attendees that will be used in the formula. The Regular Attendees are the number of students who will attend the 21st CCLC Program for 30 days or more. The number of Regular Attendees used in the funding formula cannot exceed 30% of the total enrolled students at the school on October 1. Applicants must use *The Oct1 – October 1 Enrollment Report* located in the AzEDS Portal in the Grants Management System. Within that Report, use the “Total Passed by School:” number for the Total Enrollment. This is the official October 1 enrollment count, and this official October 1 enrollment number will be verified by ADE. *Caution:* Do not use the “Total Enrollments by School:” number because this number includes students who may have been submitted but *were not counted* towards the official October 1 enrollment due to being counted elsewhere or not passing some other October 1 data integrity rule.

NOTE: October 1 enrollments are not finalized until mid-January. Applicants must check their October 1 enrollment after January 16 and before submitting the application in GME. ADE will verify this number using the finalized October 1 enrollment.

**The total funds requested may not exceed the \$120,000 maximum nor fall below the \$50,000 minimum.**

Funding Formula:

- (a) \_\_\_\_ Total Enrollment on October 1 X 30% = Regular Attendees
- (b) \_\_\_\_ Regular Attendees x 120 days x \$10 per student = Total
- (c) \_\_\_\_ Total Funds Requested

Examples:

Funding Formula:

- (a) 370 Total Enrollment on October 1 X 30% = 111 Regular Attendees
- (b) 111 Regular Attendees x 120 days x \$10 per student = \$133,200
- (c) \$120,000 Total Funds Requested (Eligible to Apply)\*

\*This Site’s total funds as justified by the formula exceed \$120,000. However, the applicant may request only \$120,000 because total funds requested may not exceed the \$120,000 maximum.

Notes:

- 1) It is permissible to target LESS than 30% of the October 1 enrollment in the Site application.
- 2) It is also permissible to propose to serve a number of Regular Attendees which results in the formula calculation rising above the maximum allowable amount of \$120,000. But in this case, any funds above the \$120,000 21st CCLC annual Site funding cap would have to come from another source.

**Fiscal Year 2023 (FY23) 21<sup>st</sup> CCLC Yr 1 – New**  
**21<sup>st</sup> CCLC Grant Application Guidance**

**Funding Formula:**

- (a) 200 Total Enrollment on October 1 X 30% = 60 Regular Attendees
- (b) 60 Regular Attendees x 120 days x \$10 per student = \$72,000
- (c) \$72,000 Total Funds Requested (Eligible to Apply)

This Site's total funds are within the \$120,000 maximum and does not fall below the \$50,000 minimum. The Site may request the \$72,000 in its application.

**Funding Formula:**

- (a) 130 Total Enrollment on October 1 X 30% = 39 Regular Attendees
- (b) 39 Regular Attendees x 120 days x \$10 per student = \$46,800
- (c) \$0 Total Funds Requested (Not Eligible to Apply)\*

\*This Site's total funds are below the \$50,000 minimum. The Site is not eligible to apply.

Note: This Site would not be eligible to apply for the 21st CCLC Grant.

**MINIMUM TOTAL ENROLLMENT- The total enrollment of each school site must be greater than 138 students on October 1 to be eligible to apply for the 21st CCLC Grant.**

## Eligibility Verification

21st CCLC Program eligibility is based on minimum requirements for 21st CCLC funding. Each 21st CCLC Program may serve only the students of one qualifying school (Site), and 21st CCLC Program awards are Site-specific.

Eligibility of a school site to receive a 21st CCLC Program award is determined by completing the Eligibility Verification Worksheet for each Site.

## Eligibility Verification Worksheet

Before beginning an application for the *Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) Grant* for a Site, complete the *Eligibility Verification Worksheet* to determine if the Site meets eligibility requirements.

The Eligibility Verification Worksheet can be found in the 21st CCLC Grant Application (Word Version) on the ADE 21st CCLC Grant Application Competition Information page.

Minimum requirements are ABSOLUTE PRIORITY and FUNDING FORMULA. If a Site does not meet the minimum requirements, do not add the Site to the application as the 21st CCLC application for that Site will not be reviewed nor approved.

**Worksheet Formulas**

**Absolute Priority**

1. Provide National School Lunch Program (NSLP) free/reduced-price percentage <http://www.azed.gov/nsf> or other verifiable risk factor data, including the data source, that shows that this site serves students where at least 40% of the students qualify for free/reduced meals.

## Funding Purpose / Priorities

For important information regarding this program, please review the “New Site Application Information” Tab and other information located on the 21<sup>st</sup> CCLC website at <http://www.azed.gov/21stcclc/>

The 21st CCLC programs must provide safe and accessible environments for students during non-school hours. Each grant program must serve students from one school Site, where there is not less than 40 percent economically disadvantaged students in the total school population. Program services may be offered at the school and at alternative sites. All centers must provide a range of high-quality services to support student learning and development.

Authorized under the Elementary and Secondary Education Act (ESEA), as amended by Every Student Succeeds Act (ESSA), Title IV, Part B administered by the Arizona Department of Education; the specific purposes of the law are to:

- (1) Provide opportunities for academic enrichment, including providing services to help students, particularly students who attend low-performing schools, to meet the challenging State academic standards;

Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers  
Fiscal Year 2023 (FY23) 21<sup>st</sup> CCLC Yr 1 – **New**  
**21st CCLC Grant Application Guidance**

(2) Offer students a broad array of additional services, programs, and activities, such as youth development activities, service learning, nutrition and health education, drug and violence prevention programs, counseling programs, art, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, mathematics, science, career and technical programs, internship or apprenticeship programs, and other ties to an in-demand industry sector or occupation for high school students that are designed to reinforce and complement the regular academic program of participating students;

(3) Offer families of students served by community learning centers opportunities for active and meaningful engagement in their children’s education, including opportunities for literacy and related education development.

(4) Grants funded by the 21st CCLC program may supplement, NOT supplant, existing out-of-school funding or programs.

## **Eligible Entity**

The term “eligible entity” means a local education agency (LEA), community-based organization, Indian tribe, or tribal organization (as such terms are defined in section 4 of the Indian Self-Determination and Education Act {25 U.S.C. 450b}), another public or private entity, or consortium of 2 or more such agencies, organizations, or entities.

Each 21st CCLC Program Application may serve only the students of one qualifying school (Site), and each 21st CCLC Program award under that Application is Site-specific. Applications for 21st CCLC funding must be made under the District (Lead Fiscal Agent) which the school (Site) operates under.

If an “eligible entity” (per the paragraph above) is not the school site’s District, then the entity must apply under a District (Lead Fiscal Agent) for 21<sup>st</sup> CCLC funding for a specific Site or Sites within the District as a Participating Member Eligible Entity.

There are two pathways for “eligible entities” to receive 21st CCLC program funds in partnership with the District and its school Sites, as detailed below:

### ***Standard Partnership Model***

- a. The “eligible entity” may serve as a partner, providing some contracted services for the 21st CCLC program run by the District for the Site(s). In this case, the contracted Program Service Provider would not be named in the original 21st CCLC Yr 1 – NEW application but would instead be included in the budget of the application as a subcontractor when and where appropriate.

**Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers**  
**Fiscal Year 2023 (FY23) 21<sup>st</sup> CCLC Yr 1 – New**  
**21st CCLC Grant Application Guidance**

**Standard Partnership Model**

School District is the Program Services Provider – All but a few applicants choose this model

\*\*There is no limit to subcontractors per site.

**Consortium Model**

- b. Alternatively, the “eligible entity” may serve as the 21st CCLC Program Service Provider and School Site Program Coordinator under a Consortium with the District and School administration.
- c. If the “eligible entity” will be the exclusive 21st CCLC Program Service Provider for the school Site, the school Site and its District must agree to serve as the Lead Fiscal Agent and to complete such other parts of the grant requirements that the “eligible entity” is unable to complete due to FERPA and other constraints.
- d. This model of 21st CCLC consortium application is completed utilizing the same application process as all *21st CCLC Yr 1 – NEW* applicants. The consortium application must also include completed Forms F & G, with the required signatures, uploaded into the Related Documents section of the Grants Management System. Forms F & G are available by contacting the 21<sup>st</sup> CCLC Inbox at [21stCCLCInbox@azed.gov](mailto:21stCCLCInbox@azed.gov).

 Fiscal Year 2023 (FY23) 21<sup>st</sup> CCLC Yr 1 – **New**  
**21st CCLC Grant Application Guidance**

**Consortium Model**

Consortium formed with a School District – Rarely, applicants choose this Consortium Model

All but a few applicants choose the Standard Partnership Model (Option 1). Most ADE 21st CCLC program sites operate under this model. Rarely, an applicant chooses the Consortium Model (Option 2).

An “eligible entity” MUST partner with and operate the 21st CCLC program under the District (Lead Fiscal Agent) for several reasons; the most important being the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) which is a Federal law that protects the privacy of student education records. Access to student level data protected by FERPA is necessary to complete required state and federal reporting for this federal grant.

Operating a 21st CCLC program under the District (Lead Fiscal Agent) creates a partnership that enables an “eligible entity” that is not a District to satisfy all the requirements of the 21st CCLC grant because:

1. 21st CCLC applicants must report on student level data such as grades and student attendance. FERPA laws must be followed, and schools must protect student level data under law. Schools are able to submit the information to ADE without compromising student data (for example 21st CCLC program student attendance must be entered into the Student Information System on a regular basis).
2. In addition to program attendance, 21<sup>st</sup> CCLC State and Federal level reporting is required which includes reporting on student progress towards grant objectives. Schools have access to these FERPA protected data on grades and other student level achievement data.
3. 21<sup>st</sup> CCLC Federal level reporting is required which includes reporting on activities, staffing, family engagement, student participation by number of days attended, grade level,

race/ethnicity, and other data which are entered and will be found in the school's Student Information System.

4. The ADE requires the applicant to be the District (Lead Fiscal Agent) that can be held accountable during and after the grant term ends. This includes programmatic and fiscal audits.

**Cautions** (*Items listed below are frequently missed by applicants*)

- All guidance provided is in accordance with federal and state laws and adheres to regulations **SEC. 4204. LOCAL COMPETITIVE SUBGRANT PROGRAM.**  
(a) IN GENERAL — S.1177-188 — S.1177-191
- Read this 21st CCLC Grant Application Guidance in its entirety.
- All Lead Fiscal Agents and Program Sites that provide services must be within the state of Arizona.
- All Needs Assessments and School/Community Level Data must be based on the current and prior years' statistics. Therefore, the school must have been open for at least one year prior to application submission to be eligible.
- It is highly recommended that applicants review the completed application in its entirety to ensure that each response is complete and correct and is in alignment with responses provided in other areas of the application.
- Program Sites that ended a previous 21st CCLC grant award or opted out in Out of Compliance or High-Risk Status (risk levels 3 and 4), may apply during a new competition (see below).
  - o If awarded a new 21st CCLC grant, these programs will enter under the following Special Conditions:
  - o The Program Leaders will receive intensive technical assistance and monitoring from ADE during year one of the grant award to ensure capacity.
  - o By the close of year one of the new grant award, the Program must demonstrate Substantial Compliance to be eligible to apply for continued funding beyond year one.
  - o Clarification: *Conditional Award status will only apply to those applicants that did not end the previous year's 21<sup>st</sup> CCLC program in Substantial Compliance. Applicants that have a year or more time lapse between awards will begin the new award in "regular" status without the Special Conditions outlined above.*
- The online application & included mandatory forms deadline is March 7<sup>th</sup>, 2022 fully submitted at the "LEA Authorized Representative" approved level in the Grants Management System (GME) by exactly 11:59 p.m. **NO EXCEPTIONS.**
- The 21st CCLC programs must provide safe environments for students during non-school hours. Each grant program must serve students from one school Site. To be eligible to apply for this grant, entities must serve students who attend schools where there is not less than 40 percent economically disadvantaged students in the total school population.
- Services may be offered at the school and at other locations provided that any other locations than the students' school are equally as accessible as if those services were offered at the students' school. All centers must provide a range of high-quality services to support student learning and development. If, after a Site has been awarded, 21st CCLC services are

discovered to be offered in another location that is not equally as accessible as if they were offered at the students' school, then that may be grounds for losing the grant award.

- Additional attachments uploaded in the Related Documents in the Grants Management System will **NOT** be considered in the evaluation of the application. Only the Additional Mandatory Downloadable Forms A-E (Forms A-G for Consortium Applicants) will be reviewed.

## Program Contact

Arizona Department of Education (ADE)

Nita M. Lowey 21<sup>st</sup> Century Community Learning Center (21st CCLC) Program Unit

All questions regarding the application must be submitted via email to [21stCCLCInbox@azed.gov](mailto:21stCCLCInbox@azed.gov).

Questions received and answers provided will be posted on the ADE 21st CCLC website on its FAQs page at this link: <https://www.azed.gov/21stcclc/faqs> so that all applicants have access to exactly the same information.

## Criteria and Process used to evaluate all applications

Proposals will be reviewed pending successful completion of **ALL** required components of the application. The complete application must include the mandatory assurance forms (see the Required Downloadable Documents section).

The number of awards is based on the final US Department of Education (ED) award amount and peer review scores to determine the number of proposals approved. Geographic equity may be considered when awarding 21st CCLC funding applicants. ***In the event that anticipated federal funding is decreased or eliminated, a proportional decrease may be made to all awardees. All funding is contingent upon ADE's receipt of federal funds.***

The 21st CCLC award will be for three consecutive years, with applicants receiving 100% funding for each of the first three years of the program if the Site demonstrates Substantial Compliance (see the *21st CCLC Guidance Handbook*). Substantial Compliance is defined as compliance with the substantial or essential requirements of the 21st CCLC contract that satisfies its purpose or objective.

If the Site meets Substantial Compliance during the 3<sup>rd</sup> year, the applicant will be continued for 2 additional years (year 4 and 5) at 75% of the original funding. Continued funding in years 4 and 5 is based on demonstrating Substantial Compliance each continuing year.

## Matching Requirement

No matching funds required; however, applicants may indicate cost sharing in the budget description when appropriate.

## Staffing Requirement

Each entity must employ at least one Site Program Coordinator per Site to be on site during center hours if awarded. Site Principals cannot receive any 21st CCLC compensation and may not serve as the Site Program Coordinator.

## Budget

Do not check the box labeled, “*By checking this box the LEA is waiving allocation...*”

**Budget Period**      ***July 1, 2022 – June 30, 2023***

Official award to new grantees will occur at the State Board of Education (SBE) meeting in mid-June. For grant applications moving forward for approval to the SBE, expenses to the 21st CCLC grant can be obligated after the budget period begins on July 1. Grantees should make their first reimbursement request no later than October 1 and at least once a month thereafter. 21<sup>st</sup> CCLC funds are not allowed to be carried over from one fiscal year to the next.

**Applicants must apply for a minimum of \$50,000 or up to a maximum of \$120,000 in the first year.**

## Target Population(s)

- (1) **Students:** 21st CCLC Programs target pre-kindergarten to twelfth grade students who attend schools with a high concentration (40% or higher) of students from economically disadvantaged families. The 21st CCLC program targets **at-risk students** especially those considered most academically at-risk. Students attending these schools and living within the district-defined service area of such schools, are eligible to participate.
- (2) **Adults and Families:** In addition to students, the 21st CCLC Program must also serve adult family members of those students **who are actively participating** in the regular 21st CCLC program. These adult family members are provided with family engagement and/or family literacy services or activities that support the academic achievement of the actively participating students.

## Measures of Effectiveness

The Measures of Effectiveness required by the 21st CCLC Title IV-B section of federal law are embedded within the application questions.

IN GENERAL.—For a program or activity developed pursuant to this part to meet the measures of effectiveness, monitored by the State educational agency as described in section 4203(a)(14), such program or activity shall—

2. be based upon an established set of performance measures aimed at ensuring the availability of high-quality academic enrichment opportunities;
3. if appropriate, be based upon evidence-based research that the program or activity will help students meet the challenging State academic standards and any local academic standards;
4. ensure that measures of student success align with the regular academic program of the school and the academic needs of participating students and include performance indicators and measures described in section 4203(a)(14)(A); and
5. collect the data necessary for the measures of student success described in subparagraph (D).

## ESSA Tiers of Evidence

- ESSA requires all applications to use the Measures of Effectiveness to connect the rationale behind their program design using the ESSA Tiers of Evidence framework. This allows for each program design to be intentional and targeted to the Needs Assessment for the community served using data and effective strategies based on research, including promising practices under Tier 4. Using evidence-based programs, curricula, and practices in 21st CCLC programs offers the greatest opportunity to boost student success. More information about the ESSA Tiers of Evidence can be found in ADE’s [ESSA Guidance: Evidence-based Strategies, Practices, Programs, and Interventions for School Improvement](#)

UNDERSTANDING THE ESSA TIERS OF EVIDENCE				
	<b>TIER 1</b> <b>Strong Evidence</b>	<b>TIER 2</b> <b>Moderate Evidence</b>	<b>TIER 3</b> <b>Promising Evidence</b>	<b>TIER 4</b> <b>Demonstrates a Rationale</b>
<b>Study Design</b>	Well-designed and implemented experimental study, meets WWC standards without reservations	Well-designed and implemented quasi-experimental study, meets WWC standards with reservations	Well-designed and implemented correlational study, statistically controls for selection bias <sup>a</sup>	Well-defined logic model based on rigorous research
<b>Results of the Study</b>	Statistically significant positive effect on a relevant outcome	Statistically significant positive effect on a relevant outcome	Statistically significant positive effect on a relevant outcome	An effort to study the effects of the intervention is planned or currently under way
<b>Findings From Related Studies</b>	No strong negative findings from experimental or quasi-experimental studies	No strong negative findings from experimental or quasi-experimental studies	No strong negative findings from experimental or quasi-experimental studies	N/A

<b>Match</b>	Similar population <i>and</i> setting to your setting	Similar population <i>or</i> setting to your setting	N/A	N/A

a. Findings from experimental and quasi-experimental studies that either (a) meet the first three criteria for Tiers 1 and 2 but not the sample size, setting, or match requirements, or (b) do not meet WWC standards but statistically control for selection bias between the treatment and comparison groups are also eligible to meet Tier 3 Promising Evidence.

**TIER 4 ENCOURAGES INNOVATION** and new research on promising practices. A Tier 4 intervention must have a well-specified logic model that is based on rigorous research. In addition, an effort to study the effects of the program must already be planned or under way. Check with your state about its policies on Tier 4 evidence.

## Required Downloadable Documents

The following downloadable assurance forms are a mandatory component of a complete 21st CCLC application. Incomplete applications will not be considered for funding. All required assurance forms are part of the application must be completely filled in with responses and signed.

ADE 21<sup>st</sup> CCLC has provided Forms A-E for Digital Signatures in the “Related Documents” section in GME. A PowerPoint on “21st CCLC Creating and Applying Digital Signatures” and Forms A-E are also available under the Grant Application, Guidance & Mandatory Forms tab at <http://www.azed.gov/21stcclc/application-information/>

Two additional assurance forms (Forms F & G) are required for **Consortium Applicants**. Request these forms by email to [21stCCLCInbox@azed.gov](mailto:21stCCLCInbox@azed.gov).

### ***Acceptable digital/electronic signatures***

- A handwritten signature on a document is valid. Documents which are signed with a handwritten signature must be scanned and uploaded to GME.
- A graphic image of a signature placed on a document using secure software that verifies the identity of the user on the other end (e.g., DocuSign) is also valid.

### ***Unacceptable digital/electronic signatures***

- A graphic image of a signature placed on a document and not verified by secure software is generally discouraged and will not be enforceable unless accompanied by an email or other contemporaneous evidence of the signer’s intent to accept the agreement.
- A typewritten name in place a signature, regardless of font, that is not verifiable for each individual signatory using secure software verification.

## Forms (A to G)

Signed Forms A - E (Forms A-G for Consortium Applicants) must be completed 100% and uploaded to the online application via the Grants Management System (GME), accessible through the ADEConnect portal found on the ADE Home Page by 11:59 p.m., March 7, 2022. No hand delivered, emailed, faxed, or photocopied documents or signatures will be accepted. To ensure upload success, documents should be saved locally to user’s computer before uploading to Related Documents page. Acceptable Related Documents are PDF or Word documents. Do not upload to the Related Documents page from a Cloud-based site, as these sites typically require user sign-in to access the documents and thus may be viewed as security risk to ADE computers.

This report includes information such as student attendance, grades, number of classes, types of classes, teacher surveys, and other reporting responsibilities as detailed on Form B.

### **Form C Private School Consultation**

- Do not leave any information blank. Keep in mind, applicants will need to consult with the private schools within the service area boundaries of the school to complete Form C. If no private school is found within your district boundaries, then you will select “No”.

### **Form D Statement of Assurance of Original Work**

- Grant applicants must provide ADE with assurances that the application is their own original work. If plagiarism is identified, applications will be disqualified.

### **Form E Statement of Assurance of Community Notification**

Consortium Applications only must also include Forms F & G:

### **Form F Consortium Certification & Assurances**

- This form provides assurances to the State that consortium members will comply with State & Federal requirements.

## Initial Screening

The Arizona Department of Education will conduct an initial screening of all applications.

### **Initial Screening Process:**

If any of the following criteria is not met the application will be disqualified and will not move on in the application process.

- 1) Application and 21<sup>st</sup> CCLC FY23 Mandatory Downloadable Assurance Forms A- E (Forms A-G for Consortium Applicants) are completed, signed, and submitted online by the due date and time**

Grant applicants must adhere to the grant submittal deadlines. No extensions will be granted. Late submissions will be automatically disqualified.

- 2) 40% or higher Economically Disadvantaged Students**

Each 21st CCLC grant application must propose to serve the students who attend a school where there is not less than 40 percent economically disadvantaged students in the total school population from the previous year. This will be verified by National School Lunch Program (NSLP) free/reduced-price percentage <http://www.azed.gov/hns/frp/> or other verifiable

risk factor data, including the data source, that shows that this site serves students where at least 40% of the students qualify for free/reduced meals.

### 3) **Correct Applications**

Note: Incorrect applications which are rejected will be disqualified on a Site-by-Site basis. It is possible for the fiscal holder to have one or more Sites disqualified, with the remaining Sites forwarded for consideration in the Peer Review Process.

**a. Funding Formulas must meet the criteria in the Eligibility Verification Worksheet as stated in the application**

**b. Applications must be Site Based**

A Fiscal Agent may submit an application which includes up to five (5) different 21st CCLC grant proposals. Each of these proposals should include School Site (Site) specific content. No more than one school's students may be served per 21st CCLC proposal.

Wherever "Site" information is requested on the application, content is to be specific to the school site's students that each proposal is written to serve.

**c. Online Schools may not apply for 21st CCLC funding**

Given that this funding may not serve students during their instructional day, and given the "supplement, not supplant" rule, the 21st CCLC grant program cannot fund a Center serving students who attend an online school. By nature, online education is available 24/7, so these schools do not have the option of setting a defined instructional day separate from the time that 21st CCLC services would be offered. By law, 21st CCLC programs and activities must be offered before or after the school instructional day.

**d. Joint Technological Education District (JTED) Sites are not eligible to apply for 21st CCLC funding to serve students from multiple schools**

Given that applications must be Site based (see b. above) and may not serve students from multiple schools, a JTED serving as the 21st CCLC program Site may only apply if its application is solely based on serving students from one school. Similarly, if it is discovered that a JTED Site is serving students from multiple schools after a Site has been awarded, it may be grounds for losing the grant award.

**e. Private schools may not serve as the 21st CCLC Program Site.**

Although, private school students and teachers are eligible to participate in 21st CCLC (Title IV, Part B) programs, private schools may not receive or have control of these federal funds. Each year after receiving a 21st CCLC grant award, the ***Affirmation of Timely/Meaningful Ongoing Consultation and Equitable Services*** form must be completed and uploaded into GME for each school site served by a 21st CCLC program.

### 4) **Complete Application**

Incomplete applications will not be accepted. Responses to each application question must include a narrative text response. Place holders such as an asterisk or hyphen will not be considered an acceptable response. It is the responsibility of the applicant to ensure that it has submitted a complete application to ADE in the Grants Management System.

Note: Applications will receive a second screening for completeness. If an incomplete application is discovered at any point during the Application Review, it will be disqualified at that point.

**1) Charter Board Compliance Check – good standing**

**2) Grants Management Enterprise (GME) – good standing**

- General Statement of Assurances (GSA) has been submitted
- LEA does not have any outstanding issues
  - Outstanding Completion Report(s)
  - Outstanding Refund(s)
  - Outstanding Hold(s)
- LEA does not have any programmatic Hold(s)

**3) Budget Alignment**

- Budget templates/worksheets are provided under the Grant Resources tab at <http://www.azed.gov/21stcclc/application-information/>.  
*Disclaimer:* The budget template example is a purely public resource that is intended to provide general information on and examples of budget narratives and does not guarantee to be correct and complete.
- Budget will be checked for alignment with entire grant proposal
- Budget items should conform to the USFR Chart of Accounts
- The requested dollar amounts are reasonable and necessary
- Appropriate staffing requirements are reflected in the budget (One Site Program Coordinator must be on Site during center hours)
- Budget should include costs for the **MANDATORY** Title IV-A & B Symposium for the Principal and Site Program Coordinator(s).

**Recommended Budgetary Guidelines**

- Administrative costs do not exceed 25% of total budget
- External evaluator/consultant costs do not exceed 5% of total budget
- Capital costs do not exceed 10% of the total budget and are necessary to proposed programs/services
- Transportation costs do not exceed 4% of total budget and do not supplant other transportation expenditure reimbursement obtainable from ADE
- Indirect Costs charged to the grant may not exceed the negotiated restricted indirect cost rate. Indirect Costs may not be charged on capital expenditures. If Indirect Cost Rates have not been loaded into the Grants Management System, and the applicant plans to charge the grant, then applicant will write a narrative to this effect in the budget narrative description in the support services supply line (as a placeholder). The narrative should clearly indicate that this is a temporary placement of an allocation for anticipated Indirect Costs, and once the Indirect Cost Rate is approved, the applicant

will revise the budget to include the final negotiated indirect costs in the Indirect Costs line of the budget

- Field trips are allowable under certain conditions as described in the 21st CCLC Guidance Handbook found on this webpage: <https://www.azed.gov/21stcclc/federal-and-state-regulations>
- A Capital Outlay Worksheet (COW) is required when an applicant budgets in the capital codes within the Funding Application. For Districts, the codes are 6731-6739. For Charters, the code is 0190. Contact the ADE Grants Management office for technical assistance at 602-542-3901 or by email at <https://helpdeskexternal.azed.gov>

**DISCLAIMER:**

Before submitting the 21st CCLC application, applicants **MUST** contact their Finance & Accounting Office for guidance on developing the budget and for information on the most current budget coding. In addition, 21<sup>st</sup> CCLC applicants **MUST** consult their Human Resources Office for guidance on Salary Placement Schedules and Hiring Procedures.

**4) Generation of 21st CCLC Program Income**

- Generation of 21st CCLC program income\* is **NOT** allowed by ADE. This includes any program income, including fees for student participation in 21st CCLC programs.
- Participant fees can result in exclusion. Even if scholarships are offered, or the fees seem nominal to program staff or leaders, some students or their families may not even apply to participate if they see or become aware of a fee for the program. As there is no way to prove that this type of exclusion is not happening, and it is the intent of the law to ensure that exclusion does not occur, ADE does not allow 21st CCLC participant fees.  
Note: \*Program income is any income generated using 21st CCLC resources.

## **Grant Application Scoring Guidelines**

- The Evaluation Score Sheet, Rating Rubric, Scoring Scales, and Smart Objectives Criteria provided create the scoring tools that guide the competitive grant read process of new 21<sup>st</sup> CCLC grant applications. Trained grant readers (Peer Reviewers) use the following Rating Rubric to develop a score for individual applications. Applicants are encouraged to review this Rating Rubric to develop responses that gain maximum consideration for each application question and Mandatory Downloadable Forms which are part of the Application.
- Note: Any other attachments uploaded other than the Mandatory Downloadable Forms in the “Related Documents” section of GME will **NOT** be considered in the evaluation of the application.

- Applicants should be aware that neither the ADE nor the Peer Reviewers seek clarifications to responses on the initial application. Scores are based on responses at the time of submission.

**Evaluation Score Sheet**

- The Application Guidance describes what is to be included in each section of the Application.
- Peer Reviewers will refer to the Rating Guidelines to evaluate the answers in each section.
- Peer Reviewers will then assign a total score for each section based on the Rating Rubric.
- The application score is based on a 100-point scale.

## 21st CCLC AT-A-GLANCE REQUIREMENTS

### **General Statement of Assurance (GSA)**

A Fiscal Year 2022 GSA for the fiscal agent must be on file with the Arizona Department of Education's (ADE) Grants Management Department in order to receive access to the application. If awarded, a FY23 GSA will need to be on file by May 31, 2022.

### **County, Type, District and School NUMBER (C.T.D.S.)**

The District (Lead Fiscal Agent) will need a C.T.D.S. number to submit a grant application online in ADE's Grants Management System. "C.T.D.S." stands for County, Type, District and School. The District has a specific C.T.D.S. number and each school also has a specific Entity ID number.

### **Entity ID Number**

A School Entity ID Number will need to be entered for each Site-specific application. See the ADE Home Page at <http://www.azed.gov/> and click the "Find A School" icon.

### **Possible Priority Points (8 Priority Points Possible)**

Applicants may be eligible for possible Priority Points. The methods for determining and verifying potential priority points for the 21st CCLC application are spelled out in the guidance below:

1. A 21<sup>st</sup> CCLC program that serves students attending a school with a Federal accountability label of, "Comprehensive Support & Improvement" School or "Targeted Support & Improvement" School will earn 2 additional priority points. No other labels will qualify for these 2 additional priority points. Select the current label that applies to the school.

**LABELS WILL BE VERIFIED <https://www.azed.gov/improvement>**

2. A 21<sup>st</sup> CCLC program that serves students attending a school with 80% or more of students who qualified for free/reduced cost meals will earn 2 additional priority points. Does the school currently serve a student population where 80% or more qualify for free/reduced cost meals?

This percentage is to be based on National School Lunch Program (NSLP) free/reduced-price percentage <http://www.azed.gov/hns/frp/> or other verifiable risk factor data, including the data source, that shows that this site serves students where at least 80% of the students qualify for free/reduced meals.

**PERCENTAGE WILL BE VERIFIED <http://www.azed.gov/hns/frp/>**

3. A 21<sup>st</sup> CCLC program that serves students attending a rural school within Arizona will earn additional priority points. Schools with a “City” or Suburb” Urban Classification will earn 0 additional priority points. Schools with a “Town” Rural Classification will earn 2 additional priority points. Schools with a “Rural” Rural Classification will earn 4 additional priority points. Select the current classification that applies to the school.

**LABELS WILL BE VERIFIED <https://nces.ed.gov/ccd/schoolsearch/>**

<b>Locale Classifications in National Center for Education Statistics</b>	
<b>Urban Classifications</b>	<b>Rural Classifications</b>
11 - City, Large	31 - Town, Fringe

13 - City, Small	33 - Town, Remote
21 - Suburb, Large	41 - Rural, Fringe
22 - Suburb, Midsize	42 - Rural, Distant
23 - Suburb, Small	43 - Rural, Remote

- **“City”** = 0 points
- **“Suburb”** = 0 points
- **“Town”** = 2 points
- **“Rural”** = 4 points
- **Classification not listed in NCES database** = 0 points

**Application Tips**

- An Application can have up to a maximum of 5 Sites/schools. If an applicant is applying for more than one school, then each school becomes a separate Site with its own budget and set of Mandatory Downloadable Assurance Forms A- E (Forms A-G for Consortium Applicants).
- Applicants can copy & paste text from a Word document to the on-line application. If difficulties arise, type directly into the application cell.
- Remember to enter information into each question’s text box. Application will be incomplete if any text boxes are left blank. Responses to each application question must include a narrative text response. Place holders such as an asterisk or hyphen will not be considered an acceptable response.
- Review a printed copy for completeness prior to submitting on-line.

**21st CCLC Grant Application Guidance**

- There is a limit of 8000 characters for each answer. This includes commas, periods, spaces, tables, charts, etc.
- ADE recommends submitting applications at least three business days before the due date. This allows applicants plenty of time should an applicant encounter any difficulty with submittal.

If technical assistance is needed in submitting the on-line application, please see the Online Application section of the Application Guidance above.

## **Program Need**

In this section provide justification that establishes a need for a 21st CCLC grant by addressing each of the questions asked in the application.

## **Program Design and Implementation**

Reminder: Write the Application as if the program will be operating in a standard or regular non-pandemic impacted year.

21st CCLC services for **students** must be offered during non-school hours or periods when school is not in session. Services are not to be provided during regular school instructional hours. Lunch time is considered part of the regular school hours. However, activities targeting pre-kindergarten children and adult family members of 21st CCLC student participants may take place during regular school hours as these times may be most suitable for serving those populations.

Online services for students:

Online Schools may **not** apply for 21st CCLC funding:

Given that this funding may not serve students during their instructional day, and also given the “supplement, not supplant” rule, the 21st CCLC grant program cannot fund a Center serving students who attend an online school. By nature, online education is available 24/7, so these schools do not have the option of setting a defined instructional day separate from the time that 21st CCLC services would be offered. By law, 21st CCLC programs and activities must be offered *before* or *after* the school day.

Online classes or activities **may** be offered:

The section above regarding online **schools** does not in any way rule out schools that offer online study **options**. Schools may offer online study options during the school day, when these options are offered as part of the normal classroom instructional day offerings at a school Site. Similarly, online classes or activities may also be offered during the before or after school 21st CCLC program.

JTED services for students:

Given that applications must be Site based and may not serve students from multiple schools, a JTED may only apply if its application is solely based on serving students from one school.

**ARIZONA DEPARTMENT OF EDUCATION**  
Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers  
Fiscal Year 2023 (FY23) 21<sup>st</sup> CCLC Yr 1 – **New**  
**21st CCLC Grant Application Guidance**

Similarly, if it is discovered that a JTED Site is serving students from multiple schools after a Site has been awarded, it may be grounds for losing the grant award.

JTED Schools may offer 21st CCLC services under the following conditions:

- JTED may serve as the 21st CCLC program Site if it serves the students of only one school
- JTED schools may offer services to one or more 21st CCLC program Sites as a partner to a 21st CCLC program

The program plan should describe how implementation of services will accomplish the following objectives:

- Targeted intervention
  - designed to boost students' abilities in core content areas (math and reading/language arts) and
  - that specifically recruits the students identified in the application as in need of this long-term academic assistance program
- Balanced program that combines remedial education activities with fun and engaging academic enrichment classes
- Program activities to address Arizona's 21st CCLC youth development framework and philosophy. The 21<sup>st</sup> CCLC Frameworks found at: <https://www.azed.gov/21stcclc/>
- Supplement but does not supplant existing services

All components of 21st CCLC program design should be backed by ideas that research and practice have shown to be effective.

**TOTAL CENTER SERVICES** must include both Direct Student Services and Adult Family Services.

**DIRECT STUDENT SERVICES** are those services where enrolled student participants can participate. EVERY STUDENT in the program must be afforded the full hours of programming planned.

21st CCLC Services cannot be discriminatory as stated in Title 9 regulations. For example: an applicant cannot serve boys on Monday and girls on Tuesday. Under that program model, individual students would be excluded from half of the total programming.

Educational equity means that all students are provided with the resources they need to produce comparably positive academic and social outcomes regardless of race, ethnicity, gender, gender identity or expression, sexual orientation, language, religion, nationality, immigration status, cognitive or physical ability, family background or structure, income, or zip code. Educational access means admission and engagement, without obstruction, for all students and staff to participate equitably in all services or opportunities with positive outcomes.

Note: For more information see Students with Disabilities <https://www.azed.gov/specialeducation> and Unique Populations <https://www.azed.gov/uniquepopulations> websites.

**All 21st CCLC programs must commit to providing direct student services for at least 120 days per program year.**

Arizona's 21st CCLC programs serve students during the academic year and summer. The program year begins in the summer and continues through the following academic year.

Summer Program requirements are as follows:

Each 21st CCLC program must commit to providing summer programs for at least these minimum lengths of time:

- 4 weeks summer school (although some offer 4 weeks or more)
- 4 days per week (some offer more)
- 4 hours per day (does NOT include teacher planning/preparation time) Some offer more hours.

Summer meals are required to be offered in all summer programs

Academic Year Program requirements are as follows:

Each 21st CCLC program must commit to providing academic year programs for at least these minimum lengths of time:

- 4 days per week (some offer more)
- 8 hours per week (does NOT include teacher planning/preparation time)

Snacks or meals are required to be offered in all 21<sup>st</sup> CCLC programs

Note: In the case of the first year of the 21st CCLC award, the summer portion of the program preceding the school year is not a requirement, since funding is not yet available in June that first year.

Ongoing regular student attendance is important in maximizing the impact of the program on student achievement and behavior. For a student to be considered a regularly attending student, they must attend the program for 30 days or more. 21st CCLC is intended to be a long-term academic intervention targeting the students who need it most, not a “drop-in” program.

**ADULT FAMILY SERVICES** are services provided to adult family members of those students who are actively participating in the regular 21st CCLC program. Unlike student 21st CCLC services which must be offered during non-school hours, family engagement activities may occur at any time, including during the students' instructional day.

The intent of family engagement is to engage adult family members of those students who are **ACTIVELY** participating in the 21st CCLC program in opportunities for active and meaningful engagement in support of their children's education and success. Family engagement opportunities should be part of an ongoing, systematic plan to engage families towards these goals.

Refer to the Grant Application Guidance and Resources for application-specific guidance and support materials in the ADE 21st CCLC Grant Application Competition Information website at <http://www.azed.gov/21stcclc/application-information/>.

**Adequacy of Resources**

Describe in detail the applicant’s capacity to successfully manage an out-of-school time program, including, but not limited to the program and fiscal management of this grant; maintaining and recruiting high quality staff; relevant professional development; and on-going evaluation practices. Be cautious not to use these new federal funds to supplant existing resources or services, staff salaries or programs, but to supplement or expand on what is already in existence.

Note: If awarded funding, the first reimbursement request should be made no later than October 1, 2022 and at least once a month thereafter.

**Program Objectives and Activities**

For each of the program areas (Academics, Youth Development, and Family Engagement), write **SMART** objectives that can be *measured annually* and are:

- Specific,
- Measurable,
- Achievable,
- Realistic and
- Time-bound

Arizona does not allow State Assessments as a progress measure for 21st CCLC grant program SMART objectives. Formative assessments or benchmark data can provide meaningful outcome data for determining student progress on grant program objectives within the Program Year.

✓ Reason:

All Program objectives are intended to be annual SMART objectives. These should be measurable within one Program Year, thus enabling annual assessment and reporting to be completed at the end of the Program Year. State Assessment scores are not available within the current program year, which results in a lag in information about student progress and program impact.

- Academics                      Minimum of 2 SMART objectives  
    Maximum of 3 SMART objectives  
    -one objective must be math related  
    -one objective must be reading related  
    -if a third objective is submitted, it can be math, reading, or another academic area
- Youth Development           Minimum of 1 SMART objective  
    Maximum of 2 SMART objectives
- Family Engagement           Provide 1 Process objective

For more information about SMART Outcome and Process objectives, see the Grant Application, Guidance & Mandatory Forms section of the ADE 21st CCLC website Grant Application Competition Information page at <http://www.azed.gov/21stcclc/application-information/> for application-specific guidance and support materials. All components of 21st CCLC programs (academic/enrichment, youth development, and family engagement) should help accomplish the primary purpose of the 21st CCLC funding, which is to boost students' academic growth in core content areas of math and reading/language arts.

21st CCLC programs can be an important resource to help achieve objectives in the school's Comprehensive Needs Assessment (CNA), Integrated Action Plan (IAP) and to accomplish other school goals.

### **Evaluation**

To ensure quality programming and student performance, each grantee must utilize continuous formative evaluations to assess its progress toward achieving its goal of providing high-quality opportunities for academic enrichment. The evaluation must be based on the factors included in the *Measures of Effectiveness*. See the Grant Application, Guidance & Mandatory Forms section of the ADE 21<sup>st</sup> CCLC website Grant Application Competition Information page at <http://www.azed.gov/21stcclc/application-information/> for application-specific guidance and support materials.

Each grantee must:

- Conduct ongoing **formative** evaluation to assess progress toward achieving outcome objectives throughout each year of the grant.
- Complete an annual **summative** evaluation prescribed by ADE that assesses whether objectives were met.

### **Sustainability**

This section should describe:

- the process used to identify partners and how they will contribute to the success of the program.
- the collaboration efforts that will be undertaken to foster and promote the success of the program.
- the sustainability efforts that will be undertaken to maintain the success of the program after 21st CCLC funding is decreased or no longer available.

All 21st CCLC Sites are federally required to maintain at least one external partner during each year of the 5-year grant. The fiscal agent is the entity responsible for receiving and managing grant funds. In Arizona, the Lead Fiscal Agent is the District; therefore, the District and its funded programs cannot be considered an external partner. Example: Title 1 funds can be leveraged internally to supplement 21st CCLC services but cannot be counted as an external partner for this grant. Responses in this section should reflect the information in the Participant Verification form (Form A).
