The purpose of the grant is to provide funding to Local Education Agencies (LEAs) for the purchase, development, or maintenance of a school safety tip line. A school safety tip line provides students, staff and/or other individuals in a school community with the opportunity to report to school officials a potential incident of violence in a confidential and/or anonymous manner. Awarded LEAs can receive up to \$5,000 on a first come-first served basis. The deadline to apply is May 1st, 2023. Apply today!
