Step 3: Apply for ADEConnect Entity Administrator Access

ADEConnect is the single log-in system that provides access to multiple software applications/programs utilized by ADE. Your organization must have at least one **Entity Administrator** in ADEConnect who will grant permissions/access to users.
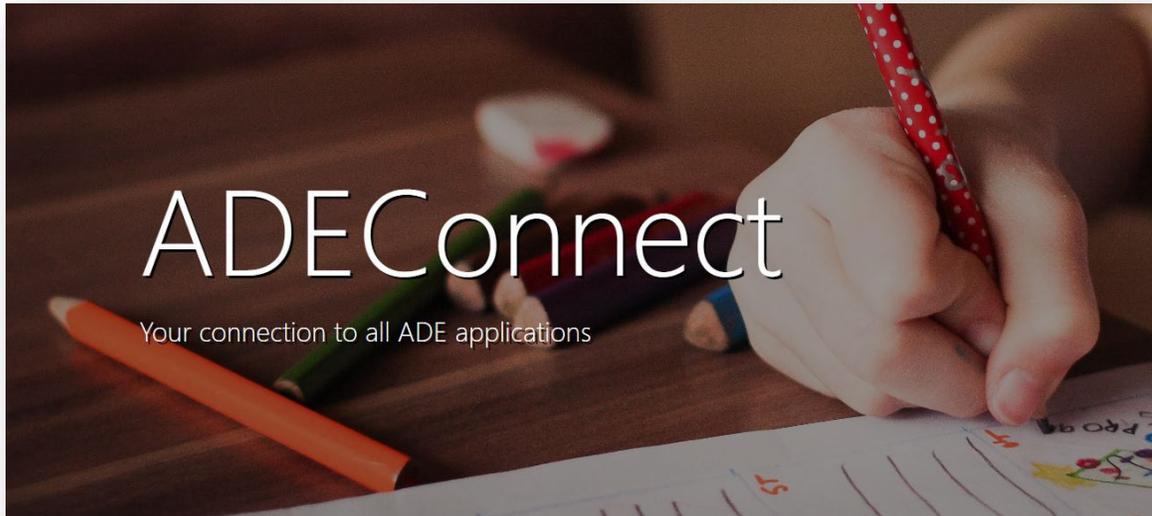

First, search to see if your organization already has an ADEConnect Entity Administrator.

Search for ADEConnect Entity Administrator

If your organization **does not** already have an Entity Administrator, please fill out the form below and email to PDGInbox@azed.gov.

Apply for ADEConnect Entity Administrator Access

Step 4: Access to ADEConnect

Your organization's Entity Administrator will need to give access to ADEConnect for anyone else in the organization who needs access. *If you do not know who your Entity Administrator is, go to* Step 3.

Entity Administrators:
- Log into **ADEConnect**
- Under **User Management** (top right) click **Add User**
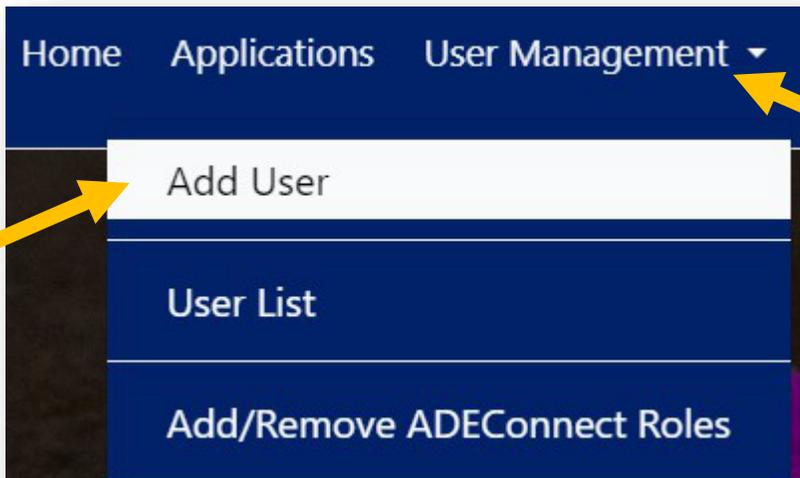

- **Search** for current ADEConnect User By: First/Last Name or Email Address
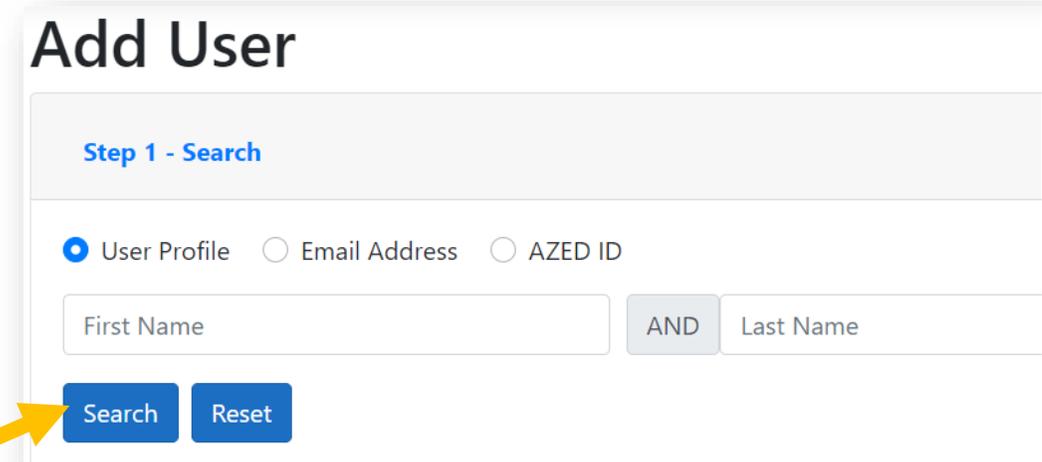

- **NEW USERS:** If no matches are found by name or email address, Click **Continue to add as new user** and complete information

- **EXISTING USERS:** For existing users, click **Select**

PDG B5 Application – ADEConnect Roles
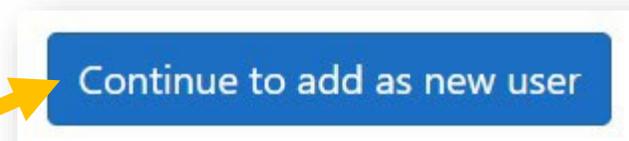

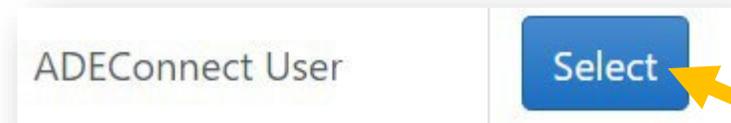

Step 5: ADEConnect Roles

Your organization's Entity Administrator will need to give access to Grants Management for themselves and to anyone else in the organization who needs access.

Entity Administrators:

- Log into **ADEConnect**
- Under **User Management** (top right) click **Add/Remove ADEConnect Roles**
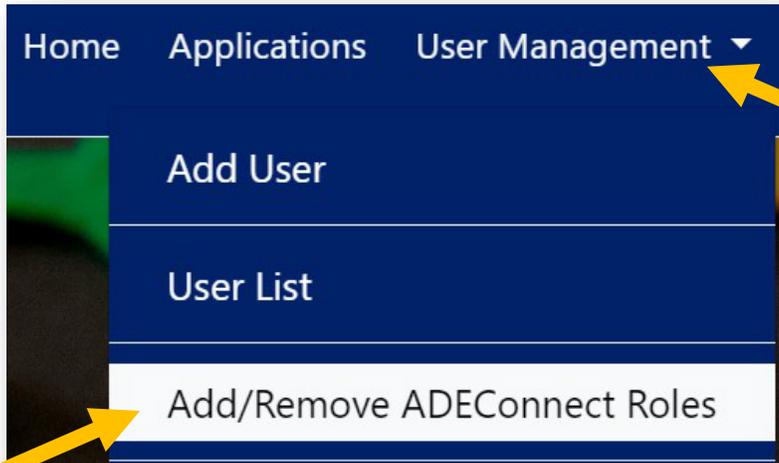

- Under Parent Education Organization click **Next**
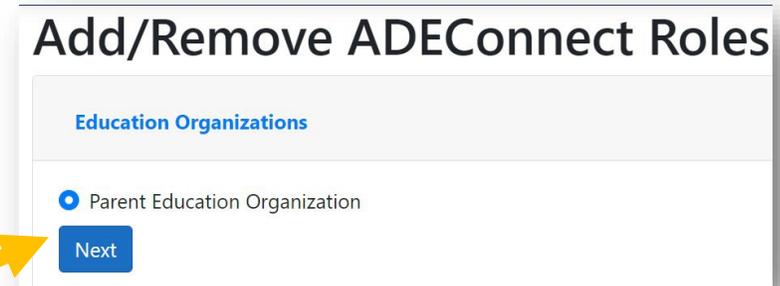

- Type in user's name and hit enter in **Search** box
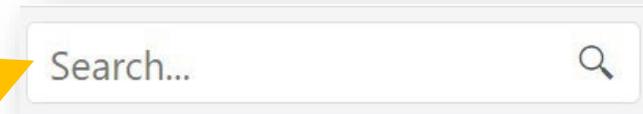

- You can search for and add multiple users. If you are the Entity Administrator, be sure to add your name. Once all users are selected, click Add ADEConnect Role.

- You can add access to software applications such as EMAC, Grants Management, and AZEDs Identity

Step 6: Access to Grants Management *(continued)*

- After selecting users and clicking "Add/Remove ADEConnect Roles" **Search for ADEConnect Role**.
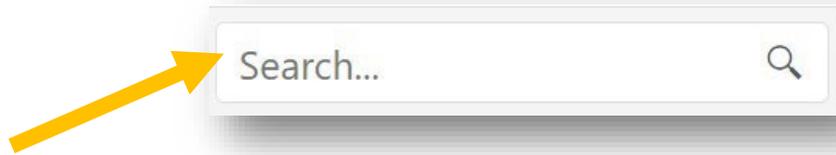

Search...

- Type "**Grants Management**" in Search box and hit Enter

ADEConnect Role	ADEConnect Role Description	Application Name
Grants Access	Role provides initial authorization to access the Grants Management Enterprise System (GME). Role must be provided in Entity Administration at the Parent Entity/LEA/District level, not the Related Organization/School level. Once added in Entity Administration, user must have separate user roles created in GME by the LEA User Access Administrator for that system in order to have full access to GME.	Grants Management (1)
