5. Number of coaches needed (1 coach for every 5 teachers)?
6. Intended times (4 hours daily, Mondays-Thursdays) for the scheduled HISEP dates?
7. What engagement activity will you provide for the parents/families of ELs participating in the HISEP?
8. Describe the goals and outcomes you intend to achieve based on your EL population, staff, and participation in the HISEP?
9. What professional development has your LEA received/provided for teaching English learners during the last two school years?
10. When was the last time your LEA's EL program was monitored? What were the results and were there any corrections needed?

Assurances:

- The LEA has taken steps to ensure that parents are made aware of the HISEP and collected enough interest and/or commitment from the parents to qualify for minimum required students to participate.
If selected, teachers and coaches will register for the HISEP training through APLD as soon as possible.
Teachers and coaches will attend all scheduled trainings.
Teachers and coaches will follow the lesson plans and ELD strategies provided and will meet the responsibilities per their HISEP role descriptions.
Teachers and coaches participating will not have any conflicts with their current employee contracts.
Teachers and coaches will ensure accurate attendance is kept for teachers, coaches, and students participating in HISEP.
The LEA meets the Maintenance of Effort in GME to be considered for selection.
At minimum, one parent/family/community engagement activity/event will occur during the HISEP.
Standard, non-specific school supplies such as pencils, markers, scissors, tape, etc. not provided through the HISEP shall be made available for students and teachers by the LEA.
