**F. KEY LEGISLATION AND GUIDANCE**

The Food, Conservation and Energy Act of 2008 amended the Richard B. Russell National School Lunch Act by adding section 19, the Fresh Fruit and Vegetable Program. Section 19 permanently authorizes the program nationwide. USDA publishes FFVP policy memos on the Fresh Fruit and Vegetable Program Policy Page found at

[https://www.fns.usda.gov/resources?f%5B0%5D=program%3A47&f%5B1%5D=resource\\_type%3A15](https://www.fns.usda.gov/resources?f%5B0%5D=program%3A47&f%5B1%5D=resource_type%3A15)

**G. SUMMARY OF ALLOCATION METHODOLOGY**

The Grant Award Document (GAD) is received from the USDA with the total grant allocation for the funding period. ADE retains no more than 5% of the total grant allocation for state administrative costs. The remainder of the funds are awarded to LEAs that meet eligibility requirements, submit a completed application by the deadline, and are selected to receive the grant with priority given to schools with the highest percentage of students certified as eligible for free and reduced price meals. The grant allocations awarded to selected schools must be in the range of \$50 to \$75 per enrolled student per year. ADE allocates funds to as many LEAs as possible while satisfying the minimum award requirement of \$50 per enrolled student per year.

**H. KEY DECISION POINTS AND FLEXIBILITIES**

ADE has some discretion to determine the amounts to set-aside for state administrative costs (not to exceed the maximum). ADE also has some discretion to determine the amounts to allocate to LEAs (within the required range of \$50 to \$75 per enrolled student per year).
